

Camping Haliotis

Haliotis Campsite is a flat site offering natural accessibility to disabled people

Our wide lanes, all paved, will facilitate all your movements and travels.

Our reception, bar, sanitation facilities, laundry, swimming-pool, playground areas, ground multi-sports, mini-farm and our garden have a walk-in access.

Our sauna is accessible only if you can manage a step (about 10 centimeters) before entering, and another one (also about 10 cm) to enter the very precincts of the sauna.

All our camping pitches are very easily accessible. Only the pitches "Luxe" with private facilities have a limited accessibility. Indeed, you must manage a step (about 10 cm) to get to the private sanitation of this type of pitches.

Join easily and directly as from the campsite the green way (sand cement coating) leading to the Mont Saint Michel and following the river Couesnon.

For your comfort you will find also WC, shower and lavabo adapted to disabled people.

We propose you a wheelchair free of charge on request.
